

LIFE

LEADERS IN FUTURE ENVIRONMENTS

Project

Mentor and Support a Youth in Your Community

Leaders in Future Environments (LIFE) Project
aims to strengthen and promote leadership in youth throughout our
San Francisco Bay Area communities

Our program year includes:

- Comprehensive training for all new mentors
- Weekend retreat to support new matches in a supportive group environment.
- Ongoing group events every six-weeks, including team building events, educational activities, an annual community service project, and fun trips to places like Great America and Monterey Bay Aquarium
- One-on-one mentoring opportunities as well as other volunteer opportunities within the program (please note you must be 21 to mentor)
- Supportive staff, resources, learning, sharing and lots of FUN!
